**Beginning in 2026, a 4% administrative fee will be added to all new or lapsed pass-through scholarship commitments.** This fee supports the staff time and operational resources needed to manage the growing scholarship program responsibly and sustainably. (Minimum scholarship amount is \$500 for a pass-through scholarship.)

***Example: \$500 scholarship with a 4% administrative fee***

*If a donor wishes to award a \$500 scholarship, the 4% administrative fee would be calculated as follows:  $\$500 \times 0.04 = \$20$ . This means the total contribution needed would be:  $\$500$  (scholarship award) +  $\$20$  (administrative fee) =  $\$520$  total gift. The student would still receive the full \$500 scholarship, and the additional \$20 supports the administrative work required to process, steward, and distribute the award.*
